**IAEA WORLD CANCER DAY 2017**  
**I support #CancerCare4All**

**Throughout 2017 the Gold Ribbon Campaign Austria "Warriors and Angels" will organize as well as support awareness raising activities for youth and young adults with Neoplasia. World Cancer Day provides an opportunity for the world to unite to raise the profile of cancer in a positive and inspiring way and is coordinated for the United Nations by the Union for Cancer Control (UICC).**

On 3 February 2017, the IAEA World Cancer Day Event at the Vienna International Centre included cancer advocates Her Royal Highness Princess Dina Mired of Jordan, Her Excellency the First Lady of Belize Ms. Kim Simplis Barrow, Mr. Amadou Diarra of the International Federation of Pharmaceutical Manufacturers & Associations as well as Representatives of Permanent Missions to the IAEA. Invited guests included Laura Kamhuber Youth Ambassador for the "Gold Ribbon Campaign Austria" who met with Her Royal Highness, President of UICC and mother of a cancer survivor. Laura was accompanied by Sam Masghati.

We were privileged to collaborate with SUPERAR to open the Event with the performance of "Love People" by a 50 member children's choir under the direction of Andy Icochea Icochea, Musical Director of SUPERAR assisted by Judit Morvay. The children were accompanied by Ms. Adriane Hundseder, Ms. Sabine Paces and Ms. Karin Ransauer and captured the hearts and minds of all by raising their voices in harmony. "The children's participation was outstanding and was the cherry on top of our event." José Otarola-Silesky, IAEA.

To commemorate our collaboration a CERTIFICATE OF APPRECIATION was awarded by Laura Kamhuber to Mustafa Ahmed, Paul Auer, Denis Cenusă, Michael Hinterholzer, Eliah Hoher, Stanislaus Kratochvil, Joachim Reiter, Julian Smolik, Nicolai Vido-Nessmann, Nikolaus Waldingbrett, Emma Andonova, Laura Bristela, Franziska Cuta, Doris Drucker, Lea Grbic, Adina Gundacker, Elina Gusenbauer, Michelle Jaramillo, Vanesa Jonovic, Hemma Kratochvil, Izabella Maftai, Sara Ramic, Ezgi Seiler, Sophie Steffek, Fabienn Strümpf-Marrero, Alexander Andonov, Cyprian Bak, Harman Bhullar, Bojana Blagojevic, Bien Castuciano, Andreea Cenusă, Boran Cuhadaroglu, Andrija Djokic, Yosef El Hosary, Lea Gruber, Ahsen Güven, Elisa Istrefi, Karolina Janowiak, Jonatan Jez, Uros Jovic, Dana Nakcha, Christiana Nuvelstijn, Vanesa Saitovski, Oliwier Szewczyk, Adriana Tashjian, Ana Tovilovic, Bela Leander Papp.
